Order: sales@abwizbio.com

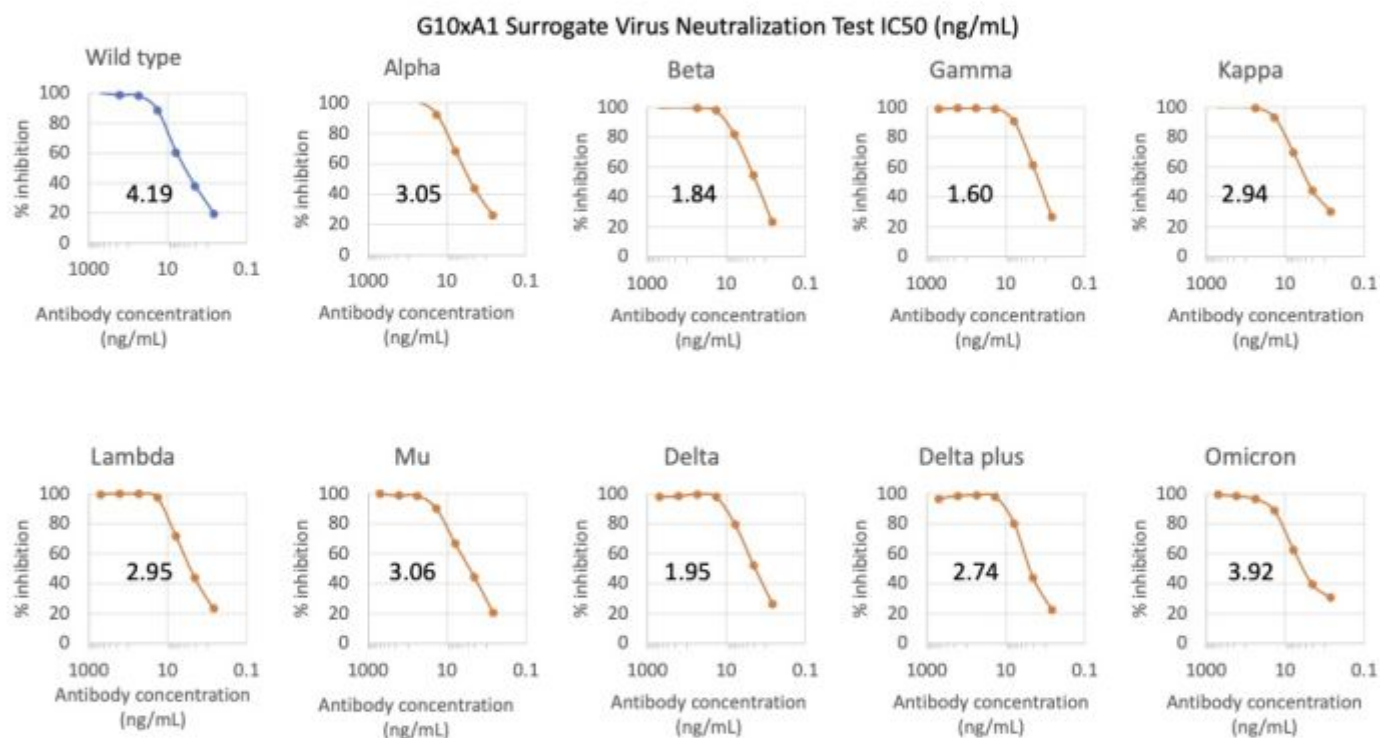

Catalog: #2571

Store at: -20°C

For Research Use Only. Not For Use In Diagnostic Procedures.

Applications	Detection	Clonality	Isotype
Functional Assay,ELISA	Anti-SARS-CoV-2 NP mAb	Monoclonal	Human IgG1k

Format:	Unconjugated
Cross Reactivity:	No
Formulation:	1X PBS
Preparation:	Protein A
Reactivity:	Other
Recommended Usage:	A recombinant SARS-CoV-2 spike protein containing RBD.
Immunogen:	A recombinant SARS-CoV-2 spike protein containing RBD.
